

1ST World Congress on

MATERNAL FETAL NEONATAL MEDICINE

from periconception to early infancy

LONDON

Queen Elizabeth II Conference Centre

April 24-26, 2017

UNDER THE AUSPICES OF

European Association of Perinatal Medicine (EAPM)

European Foundation for the Care of Newborn Infants (EFCNI)

European Society for Paediatric Research (ESPR)

European Society for Neonatology (ESN)

1ST World Congress on

MATERNAL FETAL NEONATAL MEDICINE

from periconception to early infancy

ORGANIZED BY:

ORGANIZING COMMITTEE:

Gian Carlo Di Renzo (chair), Italy
Neil Marlow, UK
Kypros Nicolaidis, UK
Umberto Simeoni, Switzerland
Yves Ville, France
Gerry H. A. Visser, The Netherlands

SCIENTIFIC COMMITTEE:

Eduardo Bancalari, USA
Eduardo Borges da Fonseca, Brazil
Tak Yeung Leung, Hong Kong
Paolo Manzoni, Italy
Ruben Quintero, USA
Roberto Romero, USA
Ola Didrik Saugstad, Norway

FACULTY:

Abati Silvio, Italy
Alfirevic Zarko, UK
Antsaklis Aris, Greece
Arabin Birgit, Germany
Arulkumaran Sabaratnam, UK
Ayres-de-Campos Diogo, Portugal
Baraldi Eugenio, Italy
Barnea Eytan R, USA
Benedetto Chiara, Italy
Berghella Vincenzo, USA
Bilardo Caterina, The Netherlands
Blickstein Isaac, Israel
Briana Despina, Greece
Burgio Ernesto, Italy
Cappuccini Benito, Italy
Carbonell Xavier, Spain
Castagnola Elio, Italy
Cetin Irene, Italy
Chanrachakul Boonsri, Thailand
Chaoui Rabih, Germany
Clerici Graziano, Italy
Conti Gabriella, UK
Cordioli Eduardo, Brazil
Costeloe Kate, UK
D'Alton Mary, USA
De Nicola Nathaniel, USA
Dekker Gustaf, Australia
Divakar Hema, India
Donzelli Gianpaolo, Italy
Draycott Tim, UK
Duan Tony, China
Evans Mark, USA
Facchinetti Fabio, Italy
Fanos Vassilios, Italy
Farine Dan, Canada
Ferrazzi Enrico, Italy
Feygin Tamara, USA
Frydman Renè, France
Gardosi Jason, UK
Giardina Irene, Italy
Giudice Linda, USA
Gomez Roig Maria Dolores, Spain

Gratacos Eduard, Spain
Hagberg Henrik, Sweden
Hanson Mark, UK
Hassan Sonia, USA
Haumont Dominique, Belgium
Hecher Kurt, Germany
Helmer Hanns, Austria
Hirst Jane, UK
Hod Moshe, Israel
Hubinont Corinne, Belgium
Ionov Oleg, Russia
Jacobsson Bo, Sweden
Jorgensen Jan Stener, Denmark
Jowett Victoria, UK
Khan Khalid, UK
Kiserud Torvid, Norway
Konoplyannikov Alexander, Russia
Kontopoulos Eftichia, USA
Kuczkowski Krzysztof, USA
Kurtser Mark, Russia
Lees Christoph, UK
Lippi Donatella, Italy
Lorch Scott, USA
Mader Silke, Germany
Malamitsi-Puchner Ariadne, Greece
Malvasi Antonio, Italy
Mandò Chiara, Italy
Mikhailov Anton, Russia
Modi Neena, UK
Mol Ben, Australia
Momtaz Mohamed, Egypt
Muglia Louis, USA
Musci Thomas, USA
Nambiar Shilpa, Malaysia
Nassar Paulo, Brazil
Ng Pak Cheung, Hong Kong
Nigro Giovanni, Italy
Norman Jane, UK
Palacios-Jaraquemada José, Argentina
Papageorghiu Aris, UK
Poets Christian, Germany
Poon Liona, Hong Kong

Poston Lucilla, UK
Pulcinelli Francisco Rossana, Brazil
Purandare Chittaranjan Narahari, India
Radzinsky Viktor, Russia
Regan Lesley, UK
Rijken Markus, The Netherlands
Rizzo Giuseppe, Italy
Robertson Nicola, UK
Robson Mike, Ireland
Sa Renato, Brazil
Sanchez-Luna Manuel, Spain
Savich Renate, USA
Shah Harsha, UK
Shennan Andrew, UK
Shmakov Roman, Russia
Sichinava Lali, Russia
Simpson Joe Leigh, USA
Smith Gordon, UK
Smitz Johan J. E., Belgium
Stark Michael, Germany
Stones Will, Malawi - UK
Sukhikh Gennady, Russia
Sun Lu Ming, China
Sweet David, UK
Thanh Lê Quang, Vietnam
Thilaganathan Baskaran, UK
Tsai-Goodman Beverly, UK
Von Dadeltszen Peter, UK
Voto Liliana S., Argentina
Weichert Jan, Germany
Weichert Alexander, Germany
Widmer Mariana, Switzerland
Wielgos Miroslaw, Poland
Wing Deborah, USA
Yang Huixia, China
Yeo Lami, USA
Yogev Yariv, Israel
Zimmermann Luc, The Netherlands
Zion Ben Rafael, Israel
Zlotnik Eduardo, Brazil

1ST World Congress on

PRE-CONGRESS COURSES

APRIL 24 | 2017

- 1** COURSE 1 - THE PRENATAL DIAGNOSIS | **FLEMING ROOM** PAG. 09
- 2** COURSE 2 - PRETERM NEONATAL RESUSCITATION | **WHITTLE ROOM** PAG. 10
- 3** COURSE 3 - UPDATE ON DEVELOPMENTAL ORIGIN | **FLEMING ROOM** PAG. 11
OF ADULT DISEASE (DOHAD)
- 4** COURSE 4 - INFECTIONS IN THE PRENATAL | **WHITTLE ROOM** PAG. 12
AND NEONATAL PERIOD
- 5** COURSE 5 - SAFE MOTHERHOOD AND NEWBORN HEALTH | **ALBERT ROOM** PAG. 13
(JOINTLY ORGANISED WITH FIGO)
- 6** COURSE 6 - ABNORMALLY INVASIVE PLACENTA: | **VICTORIA ROOM** PAG. 14
MAKING DECISIONS
- 7** COURSE 7 - FETAL ECHOCARDIOGRAPHY WITH 4D | **ABBAY ROOM** PAG. 15
ULTRASOUND USING FETAL INTELLIGENT NAVIGATION
ECHOCARDIOGRAPHY (FINE)

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

1

COURSE 1 - THE PRENATAL DIAGNOSIS | FLEMING ROOM

from 09:00 to 13.00

Course Director: Kypros Nicolaides, UK

- 09.00 - 09.25 **What can be diagnosed, predicted and prevented in the first trimester?**
Kypros Nicolaides, UK
- 09.25 - 09.50 **1st trimester ultrasound in the cell free fetal DNA era**
Caterina Bilardo, The Netherlands
- 09.50 - 10.15 **Algorithms for the prediction of preeclampsia**
Liona Poon, Hong Kong
- 10.15 - 10.40 **Screening for preterm birth in the first trimester: do we have tools?**
Sonia Hassan, USA
- 10.40 - 11.00 **COFFEE BREAK**
- 11.00 - 11.25 **First trimester cardiac anomalies**
Rabih Chaoui, Germany
- 11.25 - 11.50 **First trimester assessment of multiple pregnancy**
Boonsri Chanrachakul, Thailand
- 11.50 - 12.15 **First trimester assessment of placental function and hemodynamics**
Giuseppe Rizzo, Italy
- 12.15 - 12.40 **Congenital neck lesions: from fetus to neonate**
Tamara Feygin, USA
- 12.40 - 13.00 **Discussion**

1ST World Congress on

MATERNAL FETAL NEONATAL MEDICINE

from periconception to early infancy

2

COURSE 2 – PRETERM NEONATAL RESUSCITATION | WHITTLE ROOM

from 09:00 to 13:00

Course Directors: Eduardo Bancalari, USA; Ola Didrik Saugstad, Norway

- 09.00 – 09.30 State of the art of neonatal resuscitation: more good than harm?
Eduardo Bancalari, USA
- 09.30 – 10.00 Stabilization of the newborn in the delivery room
Ola Didrik Saugstad, Norway
- 10.00 – 10.30 Pulmonary function monitoring in the delivery room
Manuel Sanchez-Luna, Spain
- 10.30 – 11.00 Discussion
- 11.00 – 11.30 Oxygenation of the VLBW neonate in the delivery room
Ola Didrik Saugstad, Norway
- 11.30 – 12.00 New strategies for surfactant administration
Manuel Sanchez-Luna, Spain
- 12.00 – 12.30 How parents can be involved in making critical care decisions?
Silke Mader, Germany
- 12.30 – 13.00 Discussion
- 13.00 Adjourn

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

3

**COURSE 3 – UPDATE ON DEVELOPMENTAL ORIGIN | FLEMING ROOM
OF ADULT DISEASE (DOHAD)**

from 13:00 to 16:30

Course Directors: Mark Hanson, UK; Irene Cetin, Italy

- 13.00 - 13.25 **Think nutrition first**
Mark Hanson, UK
- 13.25 - 13.30 **Discussion**
- 13.30 - 13.55 **The epidemiology and genetics of pregnancy that program neonatal outcomes**
Louis Muglia, USA
- 13.55 - 14.00 **Discussion**
- 14.00 - 14.25 **Hyperglycemia in pregnancy**
Moshe Hod, Israel
- 14.25 - 14.30 **Discussion**
- 14.30 - 15.00 **COFFEE BREAK**
- 15.00 - 15.25 **Experimental and clinical data to prevent diabetes**
Fabio Facchinetti, Italy
- 15.25 - 15.30 **Discussion**
- 15.30 - 15.55 **Oxygenation and nutrition of the growth restricted fetus**
Irene Cetin, Italy
- 15.55 - 16.30 **Discussion**

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

4

**COURSE 4 - INFECTIONS IN THE PRENATAL | WHITTLE ROOM
AND NEONATAL PERIOD**

from 13:00 to 16:30

Course Directors: Yves Ville, France; Paolo Manzoni, Italy

- 13.00 - 13.20 The immunosuppressive therapy during pregnancy -
the effect on mother and offspring
Mirosław Wielgos, Poland
- 13.20 - 13.30 Discussion
- 13.30 - 13.50 CMV in pregnancy and neonatal period: control and management
Giovanni Nigro, Italy
- 13.50 - 14.10 Ultrasound diagnosis of fetal infections
Yves Ville, France
- 14.10 - 14.30 Discussion
- 14.30 - 15.00 COFFEE BREAK
- 15.00 - 15.20 Discovery of biomarkers for early diagnosis and surveillance of neonatal infection
and necrotising enterocolitis
Pak Cheung Ng, Hong Kong
- 15.20 - 15.30 Discussion
- 15.30 - 15.50 Candida infection in the newborn: detection, prevention and treatment
Elio Castagnola, Italy
- 15.50 - 16.00 Discussion

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

5

COURSE 5 – SAFE MOTHERHOOD AND NEWBORN HEALTH | ALBERT ROOM

(JOINTLY ORGANISED WITH FIGO)

from 09:00 to 16:30

Course Directors: Gerry H. A. Visser, The Netherlands;
Diogo Ayres-de-Campos, Portugal

09.00 – 09.30

General introduction: safe motherhood & newborn care today
Gerry H. A. Visser, The Netherlands

PART 1: Fetal monitoring in low/medium resource setting:

09.30 – 10.00

Prevention of intrapartum mortality in resource limited settings
Will Stones, Malawi - UK

10.00 – 10.30

FIGO classification of intrapartum cardiotocography
Diogo Ayres de Campos, Portugal

10.30 – 11.00

COFFEE BREAK

11.00 – 11.30

Finding optimal strategies for intrapartum fetal monitoring in low and middle income countries - preliminary results of a Delphi analysis
Marcus Rijken, The Netherlands

11.30 – 12.00

Telemedicine and mobile health in remodeling prenatal care in low-income countries
Nathaniel De Nicola, USA

12.00 – 12.30

Anaesthesia for obstetrics 2017: what does an obstetrician need to know?
Krzysztof Kuczkowski, USA

12.30 – 13.00

Discussion

13.00 – 13.30

LUNCH BREAK

PART 2: Basic ultrasound in low/medium resource setting:

13.30 – 14.00

How basic obstetric ultrasound can be implemented and performed
Enrico Ferrazzi, Italy

14.00 – 14.30

Fetal movements count – the neglected antenatal test
Dan Farine, Canada

14.30 – 14.45

Discussion

PART 3: Why preeclampsia still occurs in 2017:

14.45 – 15.15

Preeclampsia - a heterogeneous syndrome
Gustaf Dekker, Australia

15.15 – 15.45

Practical advice about automatic blood pressure measurement devices
Andrew Shennan, UK

15.45 – 16.15

Training and simulation for obstetrical emergencies
Tim Draycott, UK

16.15 – 16.30

Discussion

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

6

**COURSE 6 – ABNORMALLY INVASIVE PLACENTA: | VICTORIA ROOM
MAKING DECISIONS**

from 09:00 to 15:30

Course Director: *Jose Palacios-Jaraquemada, Argentina*

- 09.00 – 09.10 **Presentation**
Jose Palacios-Jaraquemada, Argentina
- 09.15 – 09.35 **The cesarean delivery epidemics and the consequent abnormal placentation**
Aris Antsaklis, Greece
- 09.40 – 10.00 **Elective versus emergency management of cases with abnormal placental invasion**
Mohamed Momtaz, Egypt
- 10.05 – 10.25 **When the placenta invades the bladder: preoperative assessment, intraoperative alternatives, and postoperative care**
José Palacios-Jaraquemada, Argentina
- 10.30 – 10.45 **COFFEE BREAK**
- 10.50 – 11.10 **Techniques for avoiding PPH in cesarean delivery with placenta accreta**
Mark Kurtser, Russia
- 11.15 – 11.35 **The role of echography in abnormal placentation diagnosis**
Antonio Malvasi, Italy
- 11.40 – 12.00 **When is MRI necessary to assess invasive placentation?**
Jose Palacios-Jaraquemada, Argentina
- 12.05 – 12.25 **Vascular anatomy of the uterus and its relevance for surgical treatment**
José Palacios-Jaraquemada, Argentina
- 12.30 – 13.00 **LUNCH BREAK**
- 13.05 – 13.25 **Unexpected complications during the course of abnormal invasive placentation**
José Palacios-Jaraquemada, Argentina
- 13.30 – 13.50 **A step-by-step approach to massive transfusion: when, what and how?**
Dan Farine, Canada
- 13.55 – 14.15 **Management of postoperative complications with in situ placentation**
Corinne Hubinont, Belgium
- 14.20 – 14.40 **Massive and unpredictable postpartum hemorrhage**
Mike Robson, Ireland
- 14.45 – 15.05 **Video session**
José Palacios-Jaraquemada, Argentina
- 15.10 – 15.25 **New surgical technique in placenta accreta management**
Roman Shmakov, Russia
- 15.30 – 15.40 **Closing remarks**
Dan Farine, Canada; Mike Robson, Ireland

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

7

COURSE 7 – FETAL ECHOCARDIOGRAPHY WITH 4D | ABBEY ROOM
ULTRASOUND USING FETAL INTELLIGENT NAVIGATION
ECHOCARDIOGRAPHY (FINE)

from 09:00 to 17:00

Course Directors: Lami Yeo, USA, Roberto Romero, USA

- 09.00 – 09.15 Standard cardiac planes required by professional organizations for fetal echocardiography
Beverly Tsai-Goodman, UK
- 09.15 – 10.15 Fetal Intelligent Navigation Echocardiography (FINE; aka 5D Heart): complexity made simple
Roberto Romero, USA
- 10.15 – 11.30 FINE/5D heart: novel features with value in clinical practice
Lami Yeo, USA
- 11.30 – 12.15 How to acquire fetal cardiac volumes and determine their appropriateness for analysis: tips and tricks
Lami Yeo, USA
- 12.15 – 13.15 LUNCH BREAK
- 13.15 – 13.30 Clinical implementation of the FINE method
Jan Weichert, Germany
- 13.30 – 13.45 Cardiac axis/position, situs, heterotaxy
Lami Yeo, USA
- 13.45 – 14.00 FINE method in the first trimester
Harsha Shah, UK
- 14.00 – 14.15 Tetralogy of Fallot and anatomical variants
Irene Giardina, Italy
- 14.15 – 14.30 Coarctation and pseudo-coarctation
Yves Ville, France
- 14.30 – 14.45 Color Doppler FINE in fetal anomalies
Lami Yeo, USA
- 14.45 – 15.00 COFFEE BREAK
- 15.00 – 15.30 "Virtual" cardiac volume acquisition using a simulator
Roberto Romero, USA
- 15.30 – 17.00 Normal fetal hearts and challenging cases of fetal congenital heart disease analyzed by FINE (audience participation)
Roberto Romero, USA; Lami Yeo, USA; Alexander Weichert, Germany; Jan Weichert, Germany; Irene Giardina, Italy; Christoph Lees, UK; Victoria Jowett, UK
- 17.00 Adjourn

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

CONGRESS SCIENTIFIC PROGRAM

Monday | April 24th, 2017
PAG. 17

Tuesday | April 25th, 2017
PAG. 18

Wednesday | April 26th, 2017
PAG. 24

1ST World Congress on

MATERNAL FETAL NEONATAL MEDICINE

from periconception to early infancy

APRIL 24 | 2017

OPENING & WELCOME RECEPTION | FLEMING ROOM
from 18:00 to 19:30

18.00 - 18.30 **OPENING REMARKS**
The Organisers

KEY NOTE ADDRESSES

18.30 - 18.50 **The Innocenti Hospital in Florence and the care of infancy**
Donatella Lippi, Italy

18.50 - 19.10 **Maternal nutritional influences on childhood health; an update**
Lucilla Poston, UK

19.10 - 19.30 **Gynecologic disorders predisposing to poor pregnancy and neonatal outcomes
what is the evidence?**
Linda Giudice, USA

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

APRIL 25 | 2017

08.00 - 09.00

FREE COMMUNICATIONS 1 | WHITTLE ROOM

Chairpersons: Graziano Clerici, Italy; Sonia Hassan, USA

Differences in fetal outcome according to Robson's 10 group classification system
Christabel Eftekharian, Austria

Audit on the management of early onset foetal growth restriction
Mausumi Ghosh, UK

Intrauterine growth restriction – are we making a difference? Audit exploring prediction, scanning, management and outcome
Emily Hotton, UK

Validation of the fetal medicine foundation risk calculator for preterm birth: a study in a sample of Brazilian pregnant women
Alessandra Marcolin, Brazil

Incidence of cervico-isthmic insufficiency and cerclage at department of gynecology and obstetrics, university hospital center Rijeka, Croatia
Vedran Franciskovic, Croatia

Intraplental villous artery Doppler as an independent predictor for placenta mediated disease and its comparison with uterine artery Doppler and/or placental biochemical markers: a prospective cohort study
Inas Babic, Canada

08.00 - 09.00

FREE COMMUNICATIONS 2 | ALBERT ROOM

Chairpersons: Ariadne Malamitsi-Puchner, Greece; David Sweet, UK

Maternal and placental responses prior to preterm delivery: compensatory adaptations to increase thyroid hormone availability for the preterm newborn
An Eerdeken, Belgium

Synchronized intermittent mandatory nasal ventilation versus continuous positive airway pressure nasal ventilation to reduce re-intubation of extubated preterm infants
Reza Saeidi, Iran

Neonatal outcomes following prenatal exposure to psychotropic medications
Simone Paulson, UK

Audit of gentamicin trough levels in a tertiary neonatal unit; hypoxic ischaemic encephalopathy (HIE), the new high risk group?
Alessandra Glover, UK

Comparison of susceptibility to measles in preterm infants versus term infants
Joseph L. Mathew, India

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

08.00 - 09.00

FREE COMMUNICATIONS 3 | VICTORIA ROOM

Chairpersons: Chiara Mandò, Italy; Dan Farine, Canada

Prenatal exposure to substances of abuse and psychoactive drugs of prescription detected by maternal hair and meconium

Laura Almeida, Spain

Providing active antenatal care depends on the place of birth for extremely preterm births: the epipage 2. Cohort Study

Caroline Diguisto, France

Polymorphic variants of genes encoding proteins of the hemostatic system in pregnant women with subchorionic hematoma in the I trimester

Irina Bushtyreva, Russia

Influence of distribution of mother's abdominal body fat on first trimester fetal growth

Alen Selovic, Croatia

Clinical outcome and placental characteristics of early- and late-onset selective intrauterine growth restriction

Wang xueju, China

The first report of a longitudinal study in West Jawa Barat province Indonesia: do pregnant women have the advantage from living in the equator to avoid vitamin D deficiency ?

Setyorini Irianti, Indonesia

09.00 - 11.00

**PLENARY SESSION 1 | FLEMING ROOM
INTERVENTIONS WHICH MATTER**

Chairpersons: Eduardo Bancalari, USA; Roberto Romero, USA

09.00 - 09.30

Opening lecture: aspirin in early pregnancy

Kypros Nicolaides, UK

09.30 - 09.50

PIF value in maternal fetal medicine

Eytan R. Barnea, USA

09.50 - 10.10

First trimester screening for adverse pregnancy outcome

Gordon Smith, UK

10.10 - 10.30

The possibility to prevent preterm birth

Roberto Romero, USA

10.30 - 10.50

Measuring outcomes in trials of neuroprotection

Neil Marlow, UK

10.50 - 11.00

Discussion

11.00 - 11.30

COFFE BREAK AND POSTER VIEWING

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

11.30 - 13.00

PLENARY SESSION 2 | FLEMING ROOM
ENVIRONMENTAL TOXIC CHEMICALS AND REPRODUCTION

Chairpersons: Yves Ville, France; Paolo Manzoni, Italy

11.30 - 12.00

Opening lecture: environmental toxicants: world reproduction at risk
Linda Giudice, USA

12.00 - 12.20

Environmental toxic chemicals and reproduction
Maria Dolores Gomez Roig, Spain

12.20 - 12.40

The effect of culture environment on assisted reproduction technologies
Johan J. E. Smitz, Belgium

12.40 - 13.00

Evolution of DOHAD: the impact of environmental hazards on the origins of current "pandemics"
Ernesto Burgio, Italy

13.00 - 14.30

LUNCH BREAK AND POSTER VIEW

14.30 - 16.30

PARALLEL SESSION 1 | VICTORIA ROOM
HEALTH ECONOMICS IN MATERNAL-FETAL AND NEONATAL MEDICINE

Chairpersons: Le Quang Thanh, Vietnam; Zarko Alfirovic, UK

14.30 - 14.50

Prediction of preterm labour may avoid unnecessary admissions and treatments
Deborah Wing, USA

14.50 - 15.10

Oral health, oral treatments and prevention in pregnancy: is it worth it?
Silvio Abati, Italy

15.10 - 15.30

Economics of intervention to prevent preterm birth
Sonia Hassan, USA

15.30 - 15.50

Early interventions and health across the lifecourse: an economic perspective
Gabriella Conti, UK

15.50 - 16.10

Health disparities in maternal infant care and outcomes
Scott Lorch, USA

16.10 - 16.30

Discussion

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

14.30 - 16.30

PARALLEL SESSION 2 | FLEMING ROOM
DIABESITY AND ITS IMPACT ON MATERNAL INFANT HEALTH
Chairpersons: Irene Cetin, Italy; Chittaranjan Narahari Purandare, India

14.30 - 14.50

The importance of the preconceptional period
Mark Hanson, UK

14.50 - 15.10

Tackling the tsunami of diabetes in pregnancy
Hema Divakar, India

15.10 - 15.30

The vicious cycle of the non communicable disease epidemics: predictable and preventable? The FIGO vision
Moshe Hod, Israel

15.30 - 15.50

Nutritional challenges for the infant of the diabetic mother
Neena Modi, UK

15.50 - 16.10

Gestational diabetes and obesity: implications for next generations
Yariv Yogev, Israel

16.10 - 16.30

Exercise to prevent gestational diabetes
Huixia Yang, China

14.30 - 16.30

PARALLEL SESSION 3 | ALBERT ROOM
THE TWIN CHALLENGES
Chairpersons: Lali Sichinava, Russia; Umberto Simeoni, Switzerland

14.30 - 14.50

Optimising ART to reduce multiple pregnancies
Renè Frydman, France

14.50 - 15.10

Mono- or bi-chorionicity: which does really matter?
Isaac Blickstein, Israel

15.10 - 15.30

Diagnosis, staging and management of TTTS
Ruben Quintero, USA

15.30 - 15.50

Twin pregnancy and preterm birth
Jane Norman, USA

15.50 - 16.10

Neurologic outcome and follow up of monochorionic twins
Kurt Hecher, Germany

16.10 - 16.30

Management of complicated monochorionic twins
Eftichia Kontopoulos, USA

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

- 14.30 - 16.30 **PREIS SCHOOL ACADEMY SPECIAL SESSION | WHITTLE ROOM**
STRATEGIES TO PREVENT THE PRETERM BIRTH AND AMELIORATING OUTCOME
Chairpersons: Gian Carlo Di Renzo, Italy; Sonia Hassan, USA
- 14.30 - 14.50 **Genetics, epigenetics and the unknown in timing length of pregnancy:
clues for prevention of prematurity?**
Joe Leigh Simpson, USA
- 14.50 - 15.10 **Role of cervical screening and progesterone**
Roberto Romero, USA
- 15.10 - 15.30 **Role of cervical cerclage**
Vincenzo Berghella, USA
- 15.30 - 15.50 **Role of pessary**
Ben Mol, Australia
- 15.50 - 16.10 **Combination of preventive measures: do they work?**
Eduardo Borges da Fonseca, Brazil
- 16.10 - 16.30 **Perinatal hypoxia and later psychosis: dopaminergic and neurotrophic mechanisms**
Despina Briana, Greece
- 16.30 - 17.00 **TEA BREAK AND POSTER VIEWING**
- 17.00 - 18.30 **PARALLEL SESSION 4 | FLEMING ROOM**
INDUCTION OF LABOR
Chairpersons: Roberto Romero, USA; Mark Kurtser, Russia
- 17.00 - 17.20 **Indication and misindications: when is it "convenient" to induce labour?**
Tak Yeung Leung, Hong Kong
- 17.20 - 17.40 **Ultrasound assessment of fetal condition and predicting mode of delivery in early labour**
Christoph Lees, UK
- 17.40 - 18.00 ***The difficulties in auditing induction of labour - incidence, indications and methods***
Mike Robson, Ireland
- 18.00 - 18.20 **Induction of labour: pitfalls, outcome and consequences**
Boonsri Chanrachakul, Thailand
- 18.20 - 18.30 **Discussion**

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

- 17:00 - 18:30 **PARALLEL SESSION 5 | WHITTLE ROOM**
RESPIRATORY DISTRESS SYNDROME AND BRONCHOPULMONARY DYSPLASIA
Chairpersons: Ola Didrik Saugstad, Norway; Renate Savich, USA
- 17:00 - 17.18 **How to prevent apnea of prematurity**
Christian Poets, Germany
- 17.18 - 17.36 **Guidelines of the management of RDS**
David Sweet, UK
- 17.36 - 17.54 **The key to success of non-invasive ventilation among preterm infants compared to CPAP**
Oleg Ionov, Russia
- 17.54 - 18.12 **Newer strategies for the prevention of BPD**
Eduardo Bancalari, USA
- 18.12 - 18.30 **Long-term respiratory outcomes of prematurity and bronchopulmonary dysplasia**
Eugenio Baraldi, Italy
- 17:00 - 18:30 **PARALLEL SESSION 6 | VICTORIA ROOM**
CLINICAL TRIALS ASSESSING PERINATAL AND INFANT OUTCOME
Chairpersons: Ben Mol, Australia; Yariv Yogeve, Israel; Khalid Khan, UK
- 17:00 - 17.18 **Interpreting results to include the concept of core outcomes and various pooling methods – IPD/network**
Zarko Alfirovic, UK
- 17.18 - 17.36 **Reducing stillbirths through improved antenatal detection of fetal growth restriction**
Jason Gardosi, UK
- 17.36 - 17.54 **Global organisation of planning, execution, interpretation and implementation of clinical trials in perinatal medicine**
Ben Mol, Australia
- 17.54 - 18.12 **How much can clinical medical inventions reduce the preterm birth rates?**
Bo Jacobsson, Sweden
- 18.12 - 18.30 **RCTs and clinical guidelines - what is the relationship?**
Dan Farine, Canada

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

17.00 - 18.30

SPECIAL SESSION | ALBERT ROOM
SYMPOSIUM ON MATERNAL DISEASES

Chairpersons: Alexander Konoplyannikov, Russia; Jane Norman, UK

17.00 - 17.18

Putting the 'M' back in maternal fetal medicine
Mary D'Alton, USA

17.18 - 17.36

Preeclampsia and placental dysfunction: cause or effect
Baskaran Thilaganathan, UK

17.36 - 17.54

New concepts in hypertensive disorders of pregnancy
Peter von Dadelszen, UK

17.54 - 18.12

Fibroids in pregnancy: diagnosis, complications and when and how to remove them
Zion Ben Rafael, Israel

18.12 - 18.30

Antiphospholipid antibodies in women that develop preeclampsia: studies done at the moment of preeclampsia diagnosis
Liliana S. Voto, Argentina

18:30 - 19:00

HAPPY HOUR LECTURE | WHITTLE ROOM
Sex and pregnancy

Dan Farine, Canada introduced by Gian Carlo Di Renzo, Italy

APRIL 26 | 2017

08.00 - 09.00

FREE COMMUNICATIONS 4 | WHITTLE ROOM

Chairpersons: Corinne Hubinont, Belgium; Yves Ville, France

Validation of a cleft severity index for grading the severity of primary unilateral cleft lip and nose deformities by physicians and laypersons
Sarah Bernstein, USA

Fetal DNA fractions examination – new evaluation test for fetal abnormalities in Albania
Robert Qirko, Albania

Fetoscopic release of amniotic band - case report
R. A. Moreira de Sá, Brazil

Identification of an autosomal recessive disease with microarrays and whole exome sequencing
Shu-Han You, China, Republic of Taiwan

Obstetric outcome in 152 women with placenta previa
Maiju Grönvall, Finland

1ST World Congress on

MATERNAL FETAL NEONATAL MEDICINE

from periconception to early infancy

08.00 - 09.00

FREE COMMUNICATIONS 5 | ALBERT ROOM

Chairpersons: Benito Cappuccini, Italy; Despina Briana, Greece

The effect of the breastfeeding and distraction methods on acute pain management with infants
Selda Besirik, Turkey

Maternal lifestyle, pregnancy outcome and children's health in a cohort of danish pregnant women
Sissel Kramer Aagaard, Denmark

A comparative of cognitive behavior therapy and antenatal education with routine care for prevention of depression during pregnancy and on postpartum depression
Irاندokht Asadi Sadeghi Azar, Iran

Assessment of association between attention deficit hyperactivity disorder and low birth weight in 5 to 10 year old children
Reza Saeidi, Iran

Low perinatal endothelial nitric oxide synthasae activity in early age children with atopic diseases
Saadat Huseynova, Azerbaijan

08.00 - 09.00

FREE COMMUNICATIONS 6 | VICTORIA ROOM

Chairpersons: Irene Giardina, Italy, Eduardo Borges da Fonseca, Brazil

Vaginal breech delivery at term and neonatal morbidity and mortality – a population-based cohort study in Sweden
Cecilia Ekeus, Sweden

Fetal intelligent navigation echocardiography (FINE) detects congenital heart disease with a sensitivity of 98%, specificity of 93%, and accuracy of 95%
Lami Yeo, USA

Management of labour in the grey zone, mode of delivery and short-term outcome
Zdenek Hajek, Czech Republic

Amnioinfusion for women with a singleton breech presentation and a previous failed external cephalic version: a randomized controlled trial
Caroline Diguisto, France

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

09.00 - 11.00

PLENARY SESSION 3 | FLEMING ROOM
THE CHALLENGE OF PRETERM BIRTH

Chairpersons: Joe Leigh Simpson, USA; Kypros Nicolaides, UK

09.00 - 09.30

Opening lecture: the preterm birth syndrome
Roberto Romero, USA

09.30 - 09.50

The genomics of birth timing: harnessing evolution for discovery
Louis Muglia, USA

09.50 - 10.10

Can we predict who is going to deliver preterm?
Andrew Shennan, UK

10.10 - 10.30

Metabolomics in perinatal medicine: the right route?
Vassilios Fanos, Italy

10.30 - 10.50

What is the future of the premies?
Umberto Simeoni, Switzerland

10.50 - 11.00

Discussion

11.00 - 11.30

COFFE BREAK AND POSTER VIEWING

11.30 - 13.20

CO-PLENARY SESSION 4 | FLEMING ROOM
FETAL AND NEONATAL GROWTH RESTRICTION

Chairpersons: Gerry H. A. Visser, The Netherlands; Aris Papageorghiou, UK

11.30 - 12.00

Opening lecture: IUGR and SGA: what we know nowadays?
Eduard Gratacos, Spain

12.00 - 12.20

WHO fetal growth charts – something new?
Torvid Kiserud, Norway

12.20 - 12.40

INTERGROWTH lessons
Jane Hirst, UK

12.40 - 13.00

TRUFFLE studies outcome
Christoph Lees, UK

13.00 - 13.20

Customised GROW charts: evidence and international application
Jason Gardosi, UK

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

11.30 - 13.00

CO-PLenary SESSION 5 | WHITTLE ROOM
NUTRITION AND EARLY FEEDING IN PERINATAL PERIOD

Chairpersons: Ariadne Malamitsi-Puchner, Greece; Umberto Simeoni, Switzerland

11.30 - 12.00

Opening lecture: from bench to bedside: the lifelong impact of early nutrition
Umberto Simeoni, Switzerland

12.00 - 12.20

Maternal milk, in the light of microbiomic, bioactive and epigenetic knowledge
Ariadne Malamitsi-Puchner, Greece

12.20 - 12.40

Maternal obesity: insights from metabolomics in an intervention RCT
Lucilla Poston, UK

12.40 - 13.00

Optimizing growth and nutrition in the premature infant
Renate Savich, USA

13.00 - 14.30

LUNCH BREAK AND POSTER VIEW

13.30 - 14.30

LUNCHEON SYMPOSIUM | FLEMING ROOM
POSTPARTUM HAEMORRHAGE: WHERE ARE WE CURRENTLY AND WHAT IS TO COME? (industry Supported Session - please see page 37)
Chairperson: Hanns Helmer, Austria

13.30 - 13.35

Welcome and introduction
Hanns Helmer, Austria

13.35 - 14.00

The current landscape: global burden and latest developments in prevention and treatment of PPH
Sabaratnam Arulkumaran, UK

Evidence-based medicine in obstetrics: partnerships and challenges

14.00 - 14.15

The CHAMPION study
Mariana Widmer, WHO - Switzerland

14.15 - 14.30

The IMOX study
Tim Draycott, UK

14.30

Close
Hanns Helmer, Austria

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

14.30 - 16.30

PARALLEL SESSION 7 | FLEMING ROOM
THE BRAIN OF THE FETUS AND THE NEWBORN: THE POSSIBILITIES OF NEUROPROTECTION

Chairpersons: Neil Marlow, UK; Bo Jacobsson, Sweden

14.30 - 14.50

Mechanisms of perinatal brain injury: novel neuroprotective opportunities
Henrik Hagberg, Sweden - UK

14.50 - 15.10

TBD
Nicola Robertson, UK

15.10 - 15.30

Magnesium sulphate for neuroprotection: FIGO good practice advice
Shilpa Nambiar, Malaysia

15.30 - 15.50

Prenatal neuroprotection and growth restriction
Gerry H. A. Visser, The Netherlands

15.50 - 16.10

Prevention of brain lesions in fetal infection with CMV
Yves Ville, France

16.10 - 16.30

Discussion

14.30 - 16.30

PARALLEL SESSION 8 | WHITTLE ROOM
CESAREAN DELIVERY

Chairpersons: Aris Antsaklis, Greece; Diogo Ayres De Campos, Portugal

14.30 - 14.50

Is cesarean delivery the best option for preterm gestation?
Corinne Hubinont, Belgium

14.50 - 15.10

Revisiting embryology and anatomy to optimize cesarean delivery technique
Michael Stark, Germany

15.10 - 15.30

An update on the classification system for cesarean deliveries
Mike Robson, Ireland

15.30 - 15.50

Cesarean delivery techniques in preterm gestation
Viktor Radzinsky, Russia

15.50 - 16.10

One-step conservative-resective treatment in abnormal placentation (analysis of 345 cases)
Josè Palacios-Jaraquemada, Argentina

16.10 - 16.30

Discussion

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

14.30 - 16.30

PARALLEL SESSION 9 | ALBERT ROOM
PRENATAL DIAGNOSIS

Chairpersons: Anton Mikhailov, Russia; Giuseppe Rizzo, Italy

14.30 - 14.50

CVS and microarray for everyone
Mark Evans, USA

14.50 - 15.10

NIPT: where do we stand now?
Kypros Nicolaides, UK

15.10 - 15.30

Screening for 22q11.2 deletion by cell-free DNA
Thomas Musci, USA

15.30 - 15.50

Limits of ultrasound for the detection of fetal malformations
Yves Ville, France

15.50 - 16.10

The challenge of fetal echocardiography
Rabih Chaoui, Germany

16.10 - 16.30

**Fetal craniofacial and limb anomalies association with systemic disorders:
just a small indication of a larger possibility**
Tamara Feygin, USA

14.30 - 16.30

PARALLEL SESSION 10 | VICTORIA ROOM
NEW ISSUES ON PRETERM BIRTH AND NEWBORN

Chairpersons: Eduardo Cordioli, Brazil; Xavier Carbonell, Spain

14.30 - 14.50

Epidemiology of preterm birth
Jan Stener Jorgensen, Denmark

14.50 - 15.10

Lipoic acid effects could be useful in the management of preterm delivery
Fabio Facchinetti, Italy

15.10 - 15.30

Corticosteroid lung maturation – to whom? How long? How often?
Hanns Helmer, Austria

15.30 - 15.50

Preterm birth and SGA in China
Luming Sun, China

15.50 - 16.10

Biomarkers for bronchopulmonary dysplasia (BPD)
Luc Zimmermann, The Netherlands

16.10 - 16.30

Discussion

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

- 16.30 - 17.00 **TEA BREAK AND POSTER VIEWING**
- 17.00 - 18.30 **PARALLEL SESSION 11 | ALBERT ROOM**
PORTUGUESE LANGUAGE SESSION
(ORGANISED JOINTLY WITH FEBRASGO & ALBERT EINSTEIN HOSPITAL, SÃO PAULO, BRAZIL)
Chairpersons: Eduardo Cordioli, Brazil; Eduardo Borges da Fonseca, Brazil
- 17.00 - 17.20 **Screening for chromosomal abnormalities in the first trimester**
(Rastreamento no primeiro trimestre pra aneuploidia - US, Bioquímico e DNA)
Renato Sá, Brazil
- 17.20 - 17.40 **Screening for PET (rastreamento pre eclampsia no primeiro trimestre)**
Eduardo Zlotnik, Brazil
- 17.40 - 18.00 **Screening for gestational diabetes; Brazilian protocol (rastreamento do diabetes na**
gestação: protocolo brasileiro)
Rossana Pulcinelli Francisco, Brazil
- 18.00 - 18.20 **Diagnosis for PTL (diagnóstico de trabalho de parto prematuro: bases para**
internação e intervenção medicamentosa)
Paulo Nassar, Brazil
- 18.20 - 18.30 **Discussion**
- 17.00 - 18.30 **PARALLEL SESSION 12 | FLEMING ROOM**
INDIVIDUALISED MEDICINE: ETHICAL CHALLENGES
Chairpersons: Gennady Sukhikh, Russia; Vassilios Fanos, Italy
- 17.00 - 17.18 **Ethics in medical societies**
Xavier Carbonell, Spain
- 17.18 - 17.36 **Birth as a new paradigm for holistic care**
Gianpaolo Donzelli, Italy
- 17.36 - 17.54 **Parental attitudes and choices for discontinuation of neonatal intensive care**
and/or major surgical treatment in very preterm infants
Pak Cheung Ng, Hong Kong
- 17.54 - 18.12 **Metabolomics and microbiomics: personalized medicine from the fetus to the adult**
Vassilios Fanos, Italy
- 18.12 - 18.30 **Telemedicine and mobile health in remodeling prenatal care**
Nathaniel De Nicola, USA

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

17.00 - 18.30

PARALLEL SESSION 13 | WHITTLE ROOM
INEQUITIES IN CARE

Chairpersons: Luc Zimmerman, The Netherlands; Linda Giudice, USA

17.00 - 17.20

Responsible obstetric resource management
Birgit Arabin, Germany

17.20 - 17.40

Maternal-fetal issues in migrants
Chiara Benedetto, Italy

17.40 - 18.10

Clinical guidelines and inequities in care
Tony Duan, China

18.10 - 18.30

Violence to women in prenatal care and delivery setting
Lesley Regan, UK

17.00 - 18.30

SPECIAL SESSION | VICTORIA ROOM
NETWORKS OF NEONATAL DATA

Chairpersons: Dominique Haumont, Belgium; Ola Didrik Saugstad, Norway

17.00 - 17.25

Databases and the new international benchmarking platform eNewborn
Dominique Haumont, Belgium

17.25 - 17.50

A new paradigm for newborn medicine: reducing clinical care uncertainties efficiently, effectively, and at low cost
Neena Modi, UK

17.50 - 18.15

International harmonisation of neonatal data to accelerate progress in newborn care
Kate Costeloe, UK

18.15 - 18.30

Discussion

18.30 - 19.00

HAPPY HOUR LECTURE | WHITTLE ROOM

Sins in pregnancy, sins and pregnancy
Gian Carlo Di Renzo, Italy introduced by Kypros Nicolaidis, UK

19.00 - 19.30

CLOSING REMARKS | WHITTLE ROOM

The Organizers

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

GENERAL INFORMATION

DATES AND VENUE

April 24th - 26th, 2017

QUEEN ELIZABETH II Congress Centre
Broad Sanctuary, Westminster
London SW1P, UK
www.qeiicentre.london

REGISTRATIONS

CATEGORY	REGISTRATION FEES
PHYSICIAN	€ 450,00
MIDWIFE	€ 200,00
NURSE	€ 200,00
RESIDENT	€ 250,00

The fees Include:

- UEMS /CME accreditation
- Access to all Scientific Sessions
- Attendance badge
- Final Scientific Program
- Electronic Certificate of attendance

SOCIAL EVENT – BEATLES NIGHT

The event will take place at the 28th floor of the Millbank Tower looking out of the stunning London Panorama that will take your breath away!

The cost of the experience is only €60,00

REGISTRATIONS DESK and HELP DESK OPENING TIME

April 24th - 08:00 to 18:00

April 25th - 08:00 to 18:00

April 26th - 08:00 to 18:00

OFFICIAL LANGUAGE

English

No simultaneous translation will be provided.

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**
from periconception to early infancy

CERTIFICATE OF ATTENDANCE

The certificate of attendance will be uploaded on a dedicated area of the congress website www.worldmfnm.eu

Each delegate will receive an email in order to download his/her own certificate.

THE EUROPEAN ACCREDITATION COUNCIL FOR CME (EACCME®)

The 1st World Congress on Maternal Fetal Neonatal Medicine has been accredited by European Accreditation Council for Continuing Medical Education. EACCME credits are recognized Europe-wide and in North America. They can be converted into their national equivalent by contacting your national CME Authority. EACCME credits are recognized by the American Medical Association (AMA) towards Physicians Recognition Award (PRA). The certificate will be available in the congress bag.

CONGRESS APP: HOW TO DOWNLOAD

1. Connect to the Wi-Fi

Network: **QEII Guest**

Choose 'Guest' | Accept T&C | Surf the Internet

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

ORGANIZING COMMITTEE

GIAN CARLO DI RENZO

Secretary general of FIGO. Currently Professor and Chair at the University of Perugia. Director of the Reproductive and Perinatal Medicine Center. Director of the Midwifery School, University of Perugia. Director of the Permanent International and European School of Perinatal and Reproductive Medicine (PREIS) in Florence.

NEIL MARLOW

Professor of Neonatal Medicine at University College London and current Chair of the NHS England Neonatal Critical Care Clinical Reference Group. He is an Honorary Consultant in the University College Hospital Neonatal Service. President of the British Association for Perinatal Medicine, Director of the UCL Institute for Women's Health, President of the European Society for Paediatric Research and Chair of two European Academy of Paediatric Societies Meetings.

KYPROS NICOLAIDES

Professor of Fetal Medicine, King's College, London. He was born in Cyprus and studied Medicine at Kings. He trained in Obstetrics and Gynecology and specialised in Fetal Medicine. He provided training in Fetal Medicine to more than 500 doctors from 50 countries and has supervised more than 50 doctors to undertake research leading to PhDs and MDs. In 1995 he founded the charity Fetal Medicine Foundation.

UMBERTO SIMEONI

Professor of Paediatrics at Faculté de Biologie et de Médecine, University of Lausanne and Director of the Division of Pediatrics and of the Developmental Origins of Health and Disease (DOHAD) Research Unit at CHUV University Hospital in Lausanne Switzerland.

YVES VILLE

Professor and Chairman of the Department of Obstetrics and Fetal Medicine at Necker-Enfants-Malades Hospital at the Paris Descartes University. Chair and lead clinician in the largest fetal medicine and therapy unit in France.

GERARD H. A. VISSER

Emeritus professor Obstetrics, University Medical Center, Utrecht, The Netherlands. Former chairman department Obstetrics, Gynecology and Neonatology. Former member of the board of the University Medical Center and vice-dean, former chairman of the Dutch College of Obstetricians & Gynaecologists. Member executive board of European Board and College of Obstetrics and Gynecology. Honorary Fellow of the Flemish, South African and Royal (British) colleges of O&G.

1ST World Congress on
**MATERNAL
FETAL
NEONATAL
MEDICINE**

from periconception to early infancy

SCIENTIFIC COMMITTEE

EDUARDO BANCALARI

Director of the Division of Neonatology at the University of Miami Miller School of Medicine and the Chief of Newborn Service at Jackson Memorial Hospital.

EDUARDO BORGES DA FONSECA

President of the Perinatology Branch of the Brazilian Federation of Gynecology and Obstetricians and Senior Professor in the department of Obstetrics and Gynecology at the Medical School at the Federal University of Paraiba.

TAK YEUNG LEUNG

Chairman of the Department of Obstetrics and Gynaecology of The Chinese University of Hong Kong and Vice President of Hong Kong College of Obstetricians and Gynaecologists

PAOLO MANZONI

Coordinator of the Study Group for Neonatal Fungal Infections, affiliated to the Italian Society of Neonatology in Italy. He is also coordinator of the Neonatology Network of the Clinical Trial Center based in Rome, at the OPBG Hospital.

RUBEN QUINTERO

Chief of the Division of Fetal Therapy at Miami Medical Research Center. Member of the Editorial Board of The Journal of Maternal Fetal and Neonatal Medicine.

ROBERTO ROMERO

Chief of the Perinatology Research Branch, Program and Division Director for Perinatal Research and Obstetrics in the Division of Intramural Research of NICHD/NIH.

OLA DIDRIK SAUGSTAD

Director Department of Paediatric Research, University of Oslo. Head: Department of Women and Child Health, Oslo University Hospital. Consultant of Neonatology, Oslo University Hospital, Rikshospitalet.

POSTER LIST

ASSISTED REPRODUCTIVE PREGNANCY AND OUTCOMES

(ID 058) HUMAN SEXUAL FACT DURING ASSISTED REPRODUCTIVE PREGNANCY

A. Garrote Robles; M.L. Guerra Valiente; M. Gutiérrez Munuera; S. del Olmo Martínez; N. Pallarés Jiménez
Gregorio Marañón University Hospital, Madrid, Spain

(ID 065) REPRODUCTIVE OUTCOME OF WOMEN WITH GENITAL ENDOMETRIOSIS

S.A. Sevdimaliyeva 1,2; H.F. Bagirova 1
1. Department of Obstetrics And Gynecology, Azerbaijan Medical University, Baku, Azerbaijan; 2. Central Clinic Hospital, Baku, Azerbaijan

(ID 080) FACTORS RELATED TO OVARIAN RESPONSE OF IN VITRO FERTILIZATION AND EMBRYO TRANSFER IN WOMEN WITH DIMINISHED OVARIAN RESERVE

Y. Lan; Y. Li; Y. Liang; L. Zhou; S. Wang
Department of Reproductive Medicine, Beijing Obstetrics and Gynecology Hospital, Capital Medica University, Beijing, China

(ID 081) INFLUENCE OF THE DAY OF FROZEN-THAWED EMBRYO TRANSFER IN MENSTRUAL CYCLE ON CLINICAL PREGNANCY RATE

J. Zhang; L. Yu; S. Wang; C. Yin*
*Correspondence author: Department of Reproductive Medicine, Beijing Obstetrics and Gynecology Hospital, Capital Medica University, Beijing, China

(ID 217) PERINATAL OUTCOMES AFTER ART AND SPONTANEOUS CONCEPTIONS FOCUSED ON ADVERSE OBSTETRIC OUTCOMES

M. Nachajova 1, K. Biringer, E. Kudela, A. Gondova 1, P. Zubor 1, M. Zibolen 2, K. Matasova 2, J. Visnovsky 1, J. Danko 1
1. Department of Obstetrics and Gynecology, Jessenius faculty of medicine, University Hospital, Martin, Slovakia; 2. Department of Neonatology, Jessenius faculty of medicine, University Hospital, Martin, Slovakia

(ID 267) ABDOMINAL PREGNANCY AT A PATIENT AFTER CESAREAN SECTION, BILATERAL SALPINGECTOMY AND EMBRYOTRANSFER

E. Cepelikova; I. Bydzovska
Department of Obstetrics and Gynaecology, Regional Hospital Liberec, a. s. Czech Republic
