

Information of University Administration

Due to KSMU order No.741 dated 18/03/2019 “On the academic debts elimination for full-time students (second additional midterm assessment) the additional session takes place during the period from **25/03/2019 to 06/04/2019**. The students, who have academic debts, shall eliminate all the debts within this time period.

The list of students required to eliminate the academic debts can be found on Dean’s office door.

The time tables of debts elimination can be found on information stands of each academic department.

According to part 11 of art. 58 of Federal Law dated 29.12.2012 № 273-ФЗ “About education in Russian Federation” and regulation about current control of academic performance and mid-term assessment students who did not eliminate their academic debts in established period are expelled as ones who did not fulfill their duties on conscientious mastering of educational program and educational curriculum fulfillment.

According to the regulation about current control of academic performance and mid-term assessment a respectful reasons of nonattendance to the exams are illness of the student, death of a close relative and other exceptional life circumstances confirmed by document no later than 3 academic days after exam.

This information is an official notification of students about expulsion from the university in case of failing to eliminate academic debts as ones who did not fulfill their duties on conscientious mastering of educational program and educational curriculum fulfillment.
