INFORMATION LETTER

East Siberia State University of Technology and Management (ESSUTM), the Ministry of Social Protection of the Republic of Buryatia invite you to take part in the X International Scientific Conference **“Forms and Methods of Social Work in Different Spheres of Activity”**, dedicated to the 60th anniversary of East Siberia State University of Technology and Management.

The conference takes place on September 22-23, 2022 at East Siberia State University of Technology and Management in Ulan-Ude, Russia.

The conference will provide a forum for the discussion and exchange of ideas, expertise, and experience among academicians, teachers of higher professional education institutions, specialists from social, health and educational organizations, government agencies and public organizations, and all the interested parties.

Areas of particular interest for the upcoming conference include:

1. Technologies for providing social assistance and support in emergency situations.
2. Social services for elderly and disabled citizens at home as a hospital-substituting technology: experience and prospects.
3. Forms and methods of medical-social work.
4. Public health and health care.
5. Rehabilitation issues.
6. Geriatrics and gerontology issues.
7. Forms and methods of social-psychological work.
8. Forms and methods of social-pedagogical work.
9. Social work as a part of social protection.
10. Social work at public health institutions.
11. Social work at educational institutions.
12. Social work at military structures.
13. Current problems in the social sphere.
14. Historical overview of social work aspects.
15. Social protection as a factor in society's sustainable development.
16. Human resources policies as a factor of sustainable development.
17. Current problems of migration in the era of globalization.
18. Current challenges in developing an independent quality assessment system in the social sphere.
19. New trends in the development of the sphere of social protection of the population during and after the coronavirus epidemic.

The conference agenda includes the following events:

- Plenary meeting
- Section seminars
- Roundtable.
- Training seminars and advanced training courses.

All reports and materials are published in the conference proceedings which will be uploaded on ESSTU official site. The e-copies will be sent to all the authors in October 2022. The proceedings will be registered in the system of Russian Index of Scientific Citation (RISC).

The publication is free.

Accommodation and travel expenditures are paid by the attendees.

The additional excursion program is available on attendees' special demand on September 23-24, 2022(extra fee) – See the information at the end of the letter:
