[konf-snorzgmu@yandex.ru](mailto:konf-snorzgmu@yandex.ru)

2. Confirmation of the application by the Organizing Committee via e-mail before April 26, 2024.

3. Inclusion of the report in the conference program.

The selection of reports **of students of Ryazan State Medical University** will be carried out based on the results of the annual student scientific-practical and scientific-theoretical conferences of the university in the 2023-2024 academic year, the notification of students about participation will take place through the departments of the university.

To participate in the conference, students of Ryazan State Medical University must send abstracts to the website according to the requirements ([Appendix 1](#)) by **April 8, 2024**: <http://konf.rzgmu.ru/>. The format of participation for students of Ryazan State Medical University is face-to-face.

Abstracts, literature reviews, works submitted later than the specified deadline, not designed according to the rules, published earlier or not corresponding to the topic of the conference, will not be published and will not be returned. **Scientific director with the mentor is not allowed. The number of co-authors is no more than three.**

The Organizing Committee of the conference **has the right to reject an application with a notification of rejection via e-mail without explaining the reason.** The Organizing Committee conducts mandatory review of the works. The publication of materials is free of charge. All received materials will be checked in the anti-plagiarism system. **The required originality is 80%.**

Based on the reports of the conference, a collection of conference materials will be formed, which will be assigned an ISBN, the conference materials will be posted in the RSCI and on the university's website.
