

# Lecture Rework

**Dear students!**

The fall semester will be ending soon. A very small amount of time is left for the reworks of lectures, which you either missed and/or received <70% on MCQs. Students who have obtained > 70% in first attempt are not required to rework the lecture.

Please familiarize yourself with the rules for lecture rework.

The logs/journals of lecture attendance in “Primary Care”, which are updated periodically are posted on the web page of our department: [Link will be available soon](#)

Follow the below mentioned steps to rework the lecture(s) on educational portal at [www.e.kazangmu.ru](http://www.e.kazangmu.ru):

- Step 1: Enroll for the appropriate lecture course
- Step 2: If video is available, watch the lecture. If not, go through the slides and understand them. After you have familiarized yourself with the lecture content, solve the MCQ test.
- Lectures can be accessed throughout the year.
- Access to the MCQ test will open on **November 30 and December 25**.
- If the lecture is not reworked by **December 28**, the missed lecture will be entered in the rating system as non-reworked.

We wish you success!

# Practical/Class Rework

**Dear students!**

The fall semester will be ending soon. A very small amount of time is left for the reworks of missed classes.

Please familiarize yourself with the rules for classes rework.

The logs/journals of class attendance in “Primary Care”, which are updated periodically are posted on the web page of our department: **Link will be available soon**

Follow the below mentioned steps to rework the missed class(es) on educational portal [www.e.kazangmu.ru](http://www.e.kazangmu.ru):

- Step 1: Enroll for the appropriate practicum course
- Step 2: Go through the resources and understand them.
- Step 3: After you have familiarized yourself with the content, contact the teacher to decide a day, topic, time and format for the class rework.
- Step 4: Appear for the rework on the mutually agreed upon day, topic, time and format.
- Step 5: Teacher informs about the outcome/result of the rework.
- Resources for the practical course can be accessed throughout the year.
- If the class is not reworked by **December 28**, the missed class will be entered in the rating system as non-reworked.

We wish you success!

# Final Test Retake

**Dear students!**

The fall semester will be ending soon. A very small amount of time is left for retaking that final test.

Please familiarize yourself with the rules, dates and links to join for retaking the final test.

The logs/journals of class attendance in “Primary Care”, which are updated periodically are posted on the web page of our department: **Link will be available soon**

Follow the below mentioned steps to retake the final test:

- Step 1: Apply for the reattempt on <https://forms.gle/TQrgx5dBqLac2aVg9>
- Step 2: Go through the lectures and class resources on the educational portal of KazanSMU and understand them.
- Step 3: Appear for the rework on the selected day and time
- Step 4: A panel of faculty members will ask questions, and independently grade you.
- Step 5: Result would be announced to the group leader on Whatsapp.

Note: Lecture materials and other resources hosted on the educational portal can be accessed throughout the year.

- If the final test is not reworked by **December 28**, we would be obliged to enter the unsatisfactory grades in the rating system.

We wish you success!
