You will be provided with a copy of the lecture journal for your review after assignments have been reworked and corresponding changes have been made.

**Уважаемые студенты!**

Просим Вас ознакомиться с правилами сдачи отработок по лекциям!

Отработать пропущенную лекцию Вы можете на Образовательном Портале в разделе лекционного курса, просмотрев лекцию и решив тесты к ней.

Лекции можно отработать с 27 по 29 декабря (16:00-23:00). Затем доступ для отработок будет закрыт. Для отработки предоставляется дополнительная попытка. В случае получения оценки за тесты менее 70% (менее 7 баллов) лекция считается неотработанной.

Результаты решения теста на портале будут просмотрены и отмечены в лекционном журнале лично преподавателем (скриншоты отправлять нет необходимости).

Вам будет предоставлена для ознакомления копия лекционного журнала после приема отработок и внесения изменений.

#### Dear students!

The fall semester will be ending soon. Little time is left for the reworks of missed classes.

Please familiarize yourself with the rules for the rework of practical classes. The logs/journals of class attendance in "Primary Care", which are updated periodically are posted on the web page of our department. In case you have difficulties, please contact us.

Follow the below mentioned steps to rework the missed class(es) on educational portal [www.e.kazangmu.ru](http://www.e.kazangmu.ru):

- Step 1: Enroll for the appropriate practicum course
- Step 2: Go through the resources and understand them.
- Step 3: After you have familiarized yourself with the content, contact the teacher on WhatsApp.
- Step 4: Appear for the rework on the assigned day, topic, time and format.
- Step 5: Teacher informs about the outcome/result of the rework.
- Resources for the practical course can be accessed throughout the year.

If the class is not reworked by **December 19** (groups that completed the course this semester, the missed class will be entered in the rating system as non-reworked.
